Warning

Rider and passenger safety depend upon the correct installation of this kit. Use the appropriate service manual procedures. If the procedure is not within your capabilities or you do not have the correct tools, have a qualified technician perform the installation. Improper installation of this kit could result in death or serious injury.

1. Refer to the 23 Road Glide Shark Demon® 2 LED Headlight Installation Instructions step 12.
2. Install the Shark Demon® Integrated Front Turn Signal Vents by plugging the connector into the Adapter Harness connectors, brown wire is right and violet wire is left. Shown in **Figure 1**.
3. Mount the Shark Demon® Integrated Front Turn Signal Vents at the points shown in **Figure 2** and mounted in **Figure 3**.

4. Refer back to the 23 Road Glide Shark Demon® 2 LED Headlight Installation Instructions to continue the installation.
